

RightChoice® 12 - Individual Executive Program

Shape your next step

with high-impact outplacement from Right Management

12 months outcome-based career transition support focused on your goals

Right Management's market-leading outplacement is designed to help you create impact in an ever-changing world of work. Combining expert career coaching with insightful technology and skilling, we empower you to shape your path and take your next step with confidence.

What's included in my programme?

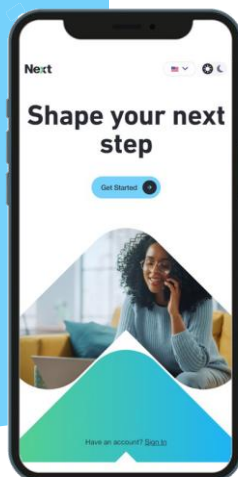

-  **Expert Career Coaching with an assigned Senior Coach**
Helps you plan your next steps, develop a market-ready CV and practice interview skills
-  **60+ Live and On-Demand Webinars**
From understanding what you want and offer, to CVs, interviews and LinkedIn
-  **1/2 Day Career Transition Workshops** and personalised **Career Webinars** across various support topics.
-  **Employer & Recruiter events and Connections**
Direct introductions to hiring employers, with regular Virtual Careers Fairs, Employer Spotlight events & podcasts
-  **Financial, Life Options & Leadership Coaching**
To ensure you are supported at this career transition period.
-  **Executive Recruiter Placement Support** through our sister recruitment brands Manpower & Experis

next.right.com

You'll manage your outplacement journey via the Next platform, accessed at next.right.com

Features include:

- + **Self-assessment activities** to understand your strengths and goals
- + **Career resources** including CV builder, interview simulator and market research tool
- + One-click booking for **events and webinars**
- + Access to your **personal Career Coach** – schedule your sessions via next.right.com
- + **Global jobs board** with automated daily job matches to suit your skills and preferences
- + **Tailored resources** including videos, live and on-demand events, articles and templates

Your journey, your way

With personal coaching, curated resources and 24/7 access, your future is in your hands. Whether you're looking for your next role, planning to retire, start your own business or return to education, we'll help you identify, create and execute a career plan that's right for you.

- **Increase self-awareness** - Identify and articulate your strengths and drivers, and understand how they align to your goals
- **Research & plan** - Look inward, outward, and forward to find the most fulfilling career path
- **Articulate your brand** - Learn tactics and tools to clearly define and communicate your personal brand
- **Navigate your journey** - Develop a focused search and networking strategy to target the best opportunities
- **Interview & negotiate** – Access tools and resources to improve your chances for success in securing your next role

+ Continued support

- **If you're continuing your job search** after your programme: ongoing access to next.right.com (excluding webinars) until you secure your next role – simply log in every 30 days to maintain access
- **When you secure a role:** lifetime access to career management resources and jobs board via the Alumni view

“ I would just like to say a big thank you for all the help and support I've received from Right Management. After working for the same company for nearly 25 years, it's been very daunting to start up all over again, but your support has got me through it. ”
